SILVER STONE

ABOUT US

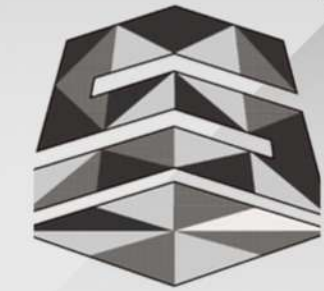

SILVER STONE TRADING LLC. We being a local Pre Engineered Steel Building Company in the Sultanate of Oman, continuously strive to exceed our customers' expectations. We deliver Pre Engineered Building solutions and services that are optimum to meet our customers' requirements.

The Company was made to integrate the expertise of various experienced personnel in the construction and Pre Engineered Building solutions and services industry and share this with clients.

We do all Type of buildings, constructions, maintenance, finishing, sheeting and erection.

We are exposed to work in hazardous operations. Given the critical and expensive operations, we know how to under pressure and manage projects while keeping in mind the budget of the client we are working with. Our industry calls for critical thinking, and this is the same thinking we bring for our projects. We have done different means of meeting our goals, in the end objective of making projects more cost effective for our clients.

SILVER STONE TRADING LLC. Employs qualified and innovative individuals who have the necessary skills and years of experience to respond to today's, challenging IT needs. Exceeding client satisfaction motivates SST team of staff
